Liz preparing her team for the journey...

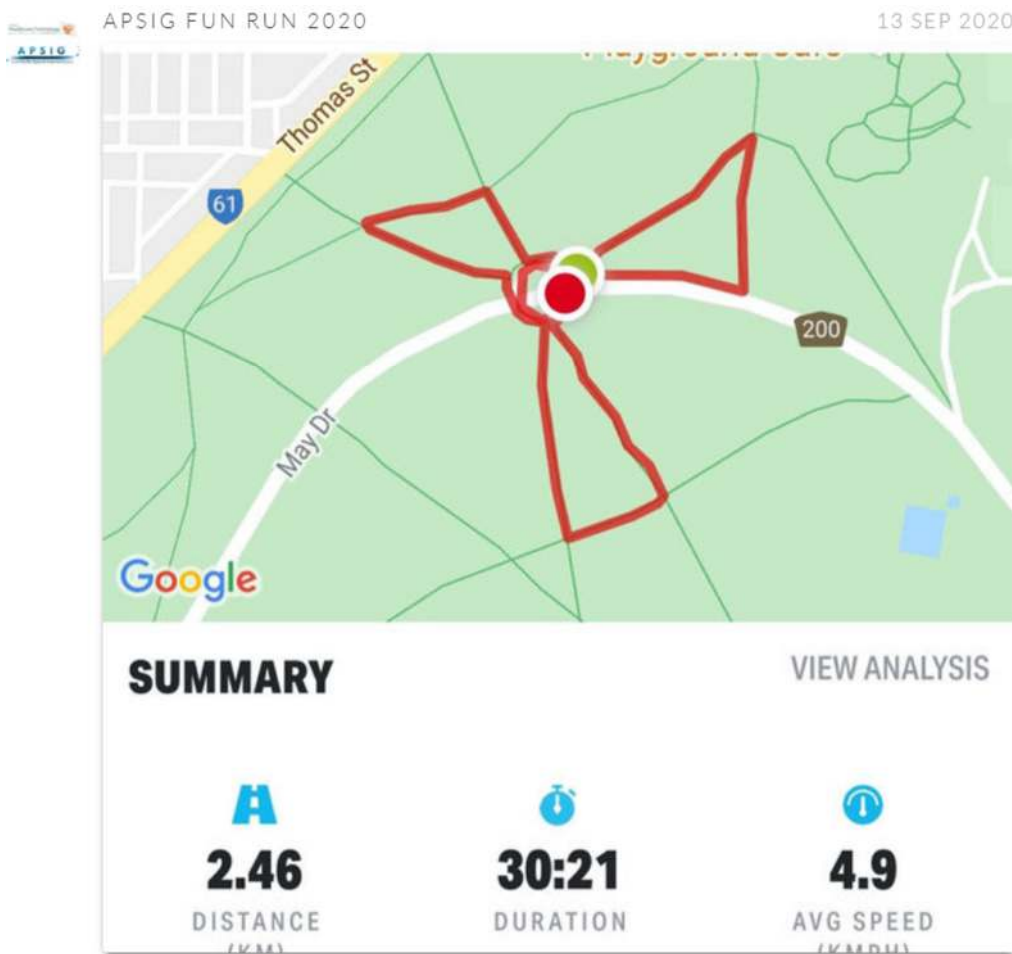

6. Elizabeth Makinos – (B)

Free form radiation trefoil in Marrickville Park – 6.4 KM

7. Trefoil in Queens Park Perth WA - Sir Charles Gairdner Radiation Oncology Physics team -

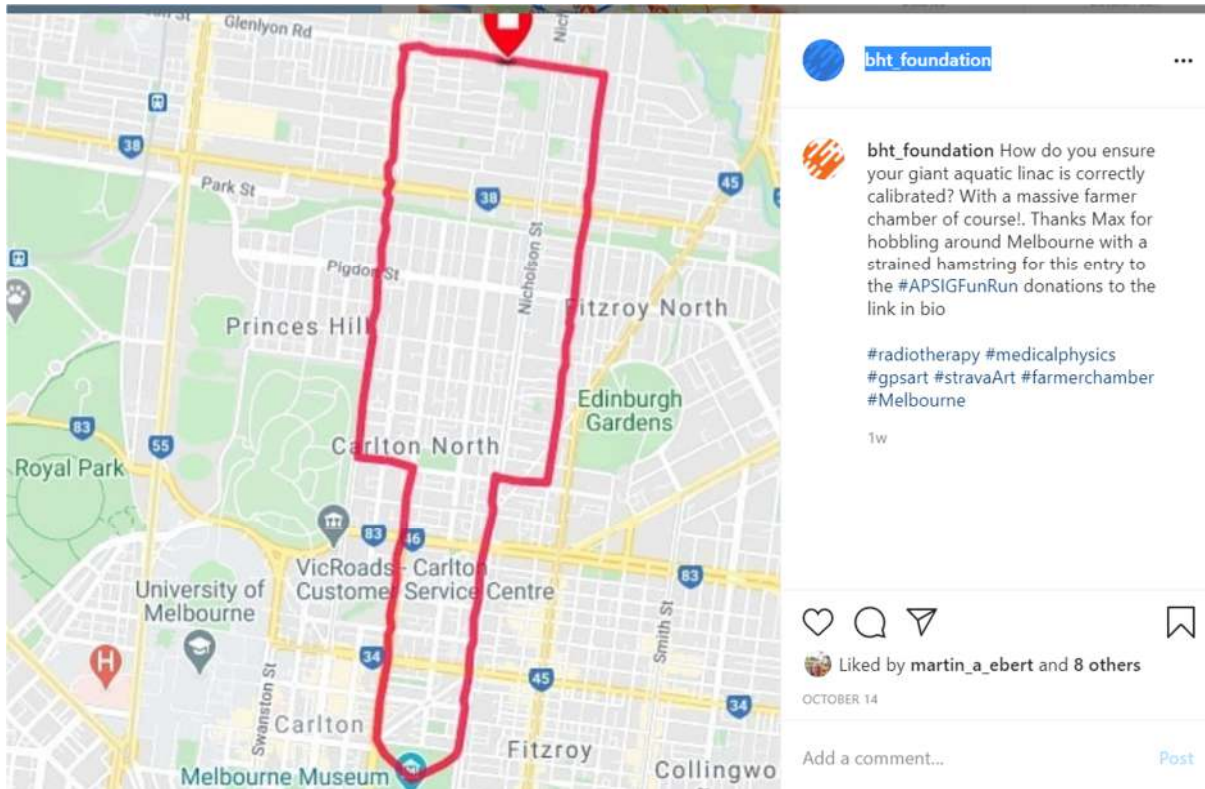

A very short and basic radiation Trefoil Walk in sunny Perth to start us off. Anyone is welcome to join in no matter how fit or artistic you are. Run/walk/cycle on your own, with your family or with work colleagues remember to share your success on social media with the #APSIGFunRun

8. Another from **Max Hanlon (B)**- RMIT Melbourne

Carlton & Fitzroy Melb - 8.4 Km

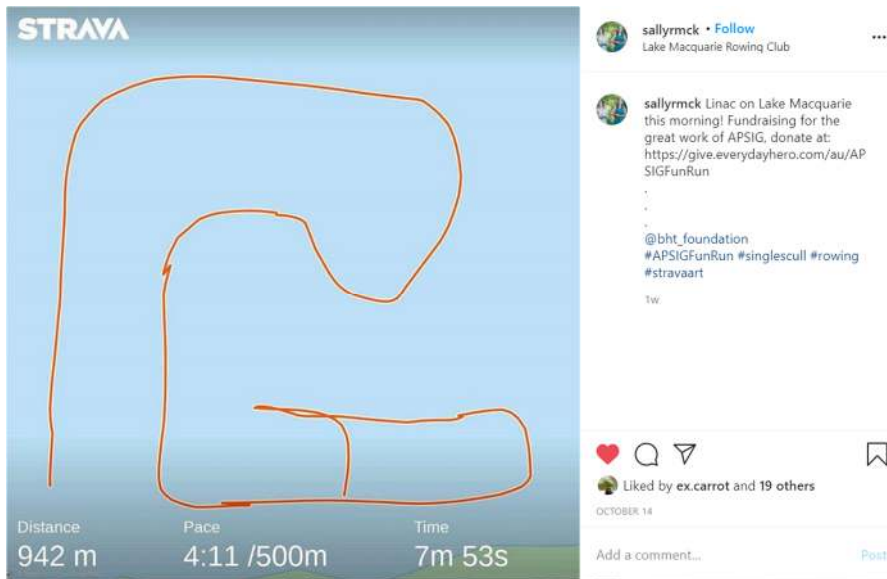

Hanl

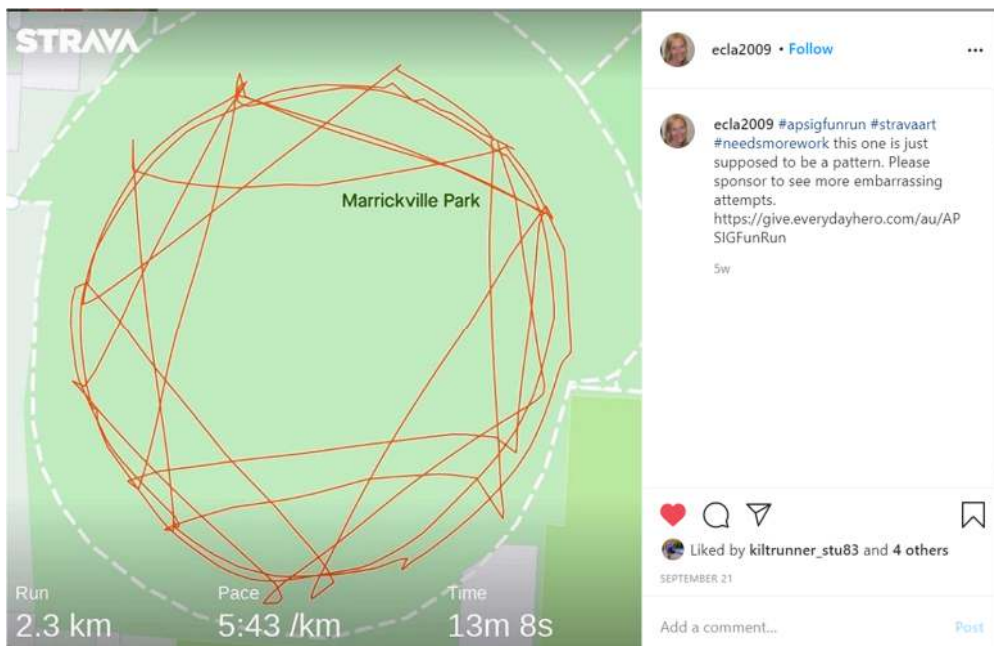

9. **Sally McKinnon** - Registrar at Central Coast Cancer Centre, Gosford

A morning row carving out an impressive aquatic Linac on the lake...

Lake Macquarie NSW Distance 1.1Km

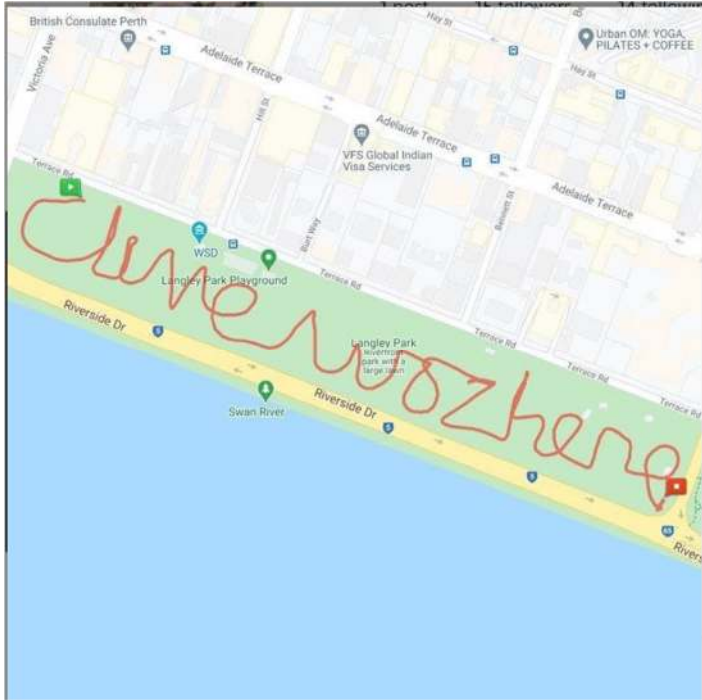

10. Another effort from Liz in Marrickville Park
- A freeform Radiation pattern from **Elizabeth Makinos – (C)**

11. **Dr Martin Ebert**, Chief Physicist at the Faculty of Electrical Engineering and Information Technology UWA Perth

Martin is looking to track down Clive Palmers for some donations to APSIG.

7.2K Langley Park Perth WA

 martin_a_ebert • Following

 martin_a_ebert Apparently a billionaire Queensland mining magnate has been trying to cross WA's hard border as he does not know how to use a phone. Maybe he has done that? Perhaps in a maniacal fit of altruism he will donate buckets of cash to @bht_foundation #APSIGFunRun
